

Association of Lorry Loader manufacturers and Importers

Regulations and Standards

ALLMI Guidance Note 004 03 September 2003

Acts of Parliament and **Statutory Instruments** are legal requirements. Suppliers, Installers and users all have responsibilities to meet some or all of these requirements. **Standards** and **Codes of Practice** are not legal requirements, they are recognised as a method of meeting the requirements of the law.

* Supplemented by HSE Guidance

** Supplemented by HSE Approved Code of Practice & Guidance

Note: *This list is for guidance only and is not intended to show all legislation which may be applicable to lorry loader cranes.*
