

ALLMI Training Ltd specialises in lorry loaders because of this it delivers the highest set of training standards in the UK & Ireland within this specialist area.

Specialists in **Lorry Loaders**

It is supported by all of the UK's lorry loader manufacturers and importers, and recognised by the Health & Safety Executive.

Representatives from these organisations sit on the ALLMI Training Standards Committee, which develops and maintains the scheme.

Over **70 Instructors** covering
the UK & Ireland

There are over 25 accredited organisations, having in excess of 70 fully qualified and experienced instructors, covering the UK and Ireland.

Audited **High Standards**

Regular audits are conducted on all Instructors to ensure a common high standard across all accredited training providers.

More **ALLMI Training** *Info >>*

ALLMI Training Ltd provides a comprehensive training scheme. A properly trained lorry loader operator is also a more profitable one, providing higher levels of efficiency, less down time and safer working environment. ALLMI Training providers can supply the rigorous and all-inclusive training necessary to achieve these benefits.

A Safer **Working Environment**

The use of inadequately trained operators is a major cause of accidents. Even if these incidents do not cause a fatality or injury, they will almost certainly lead to costly legal action

The ALLMI Training program covers:

- Novice - Experienced - Conversion Training
- Full Theoretical & Practical Instruction.
- Practical & Written Assessments
- Certification & Operator ID

Modules Covered Include:

- Legislation.
- Pre-operational Checks.
- Maintenance.
- Lifting Attachments.
- Siting of the Lorry Loader.
- Lorry Loader Operation.
- Stowing for Travel.

ALLMI Training Ltd is the independent training accreditation service and standards body for The Association of Lorry Loader Manufacturers and Importers of Great Britain (ALLMI).

ALLMI is the UK's only trade association devoted exclusively to advancing safety and standards in the lorry loader industry. ALLMI Training Ltd provides a training program for operators of lorry loaders and accreditation for lorry loader training instructors.

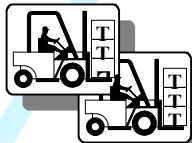

The aims of the scheme are to make a positive contribution to raising the standards and competence of lorry loader instructors and to raising safety standards and efficient operation of lorry loaders.
